Dear Tim:

Thank you for your recent gift of \$300 to support the *Lehigh Valley Chapter American Society of Safety Engineers Scholarship*. Your support of Millersville University truly makes a difference in the lives of our students and we are grateful to be able to count you among our supporters.

As we continue the *Imagine the Possible* campaign, your generosity plays a key role in generating much-needed support for Millersville University students to achieve success. Your contribution fulfills an important need to provide private support for the University's mission that benefits thousands of students.

Thank you, again, for your investment in Millersville University and please know that your generosity positively impacts students by providing access to a high quality, life-changing Millersville University experience.

Sincerely,

Anna M. Baldassarre
Assistant Director of Annual Giving
